Sub: Synthetic Lubricant TIVELA S 220.

Dear Sir,

We wish to inform you that by using the synthetic lubricant TIVELA S 220 in our worm reduction gearboxes, following are the results:

1. Power saving minimum to the tune of 10%.
2. Oil temperature reduction to the extent of minimum 5<sup>o</sup>C.

in comparison with mineral based oil 320 grade. This is based on the test carried out with full load.

We will include your synthetic lubricant TIVELA S 220 in our product manual in next version.
