TO WHOM SO EVER IT MAY CONCERN

Kind Attn: Mr.Mehul Patel, Biren Enterprise, Surat

Subject: Satisfactory performance of Shell Omala S4 GX 220 for chain lubrication application in Stentor Machine in Textile process house. & Shell Omala S4 WE 320 in Stentor [Mengal] gear box.

Dear Mr. Mehul Patel,

We are pleased to inform you that based on your recommendation, we are using Shell Omala S4 GX 220 in Our Stentor machine in Textile process house for Chain lubrication application since April' 14. Performance of this product is satisfactory and Carbon formation in chain is very low. Earlier we were using Kluber Synthesco H.

Also we are using Shell Omala S4 WE 320 in Stentor [Mengal] gear box since last Six months. We have measured reduction in operating temperature by 5 °C as compare to mineral oil, no oil top and no seal leakages observed.

We appreciate effort of Biren Enterprise to help us to improve our maintenance practices and save cost.

Best Regards,

T.M.Patel Processors
