To whom so ever it may concern

To,

Biren Enterprise (Authorized Industrial Distributor of Shell Lubricants)

Surat, Gujarat.

Kind Attn: MR. Tejas Bhatiya (Shell -DFLTS), Harish gondaiya (DSR)

Subject: Shell Gadus **S2 V 220 00** superior performance in pump in Jet machine application.

We have been recommended by Shell to use "**Gadus S2 V 220 00**" in our **All Jet Dyeing Pump** like KSB make (Textile processing) in our Textile process house. We have monitored the performance of this product against previous 460 viscosity oil from other competition for last 9 months.

We have observed following advantages of Shell **Gadus S2 V 220 00** over the other products.

Benefit:

- **Reduce lubricant consumption.**
- **Increase bearing and seal life.**
- **Reduce maintenance cost.**
- **Increases pump life of 2x.**

Now we are converting all pumps with Shell 00 grease, we are looking for long term relationship with Shell and Biren Enterprise Team and we appreciate the service provided by you.

Thanking you,

Mr. Dinesh Baheti
