## TAKE CONTROL OF YOUR FLEET

Get a live report of any machine, owned or rented. See if it's on, off or idling. Finish projects on time with minimal overrun costs.

 Wheeled Loader 103	46.1h	40.2	5.9	3 minutes ago
 Excavator 026	31.4h	24.7	6.7	1 minute ago
 Screener 004	23.3h	23.2	0.1	4 minutes ago
 Crusher 043	23.0h	14.1	8.9	6 minutes ago

## CUT FUEL AND RENTAL COSTS

With a clear view of machine activity, you can reduce idling and stop wasting fuel. Make the most of your existing fleet, avoid buying or renting new machines.

### SIMPLE

Set up in under 2 minutes and start monitoring instantly via the app.

### UNIVERSAL

100% compatibility across all makes and models, owned or rented.

### END-TO-END

All-in-one data collection and analysis. No custom IT solution needed.

### RELIABLE

Tough and dependable. Built to withstand the harshest conditions, 24/7.
