Biren Enterprise (Authorized Industrial Distributor of Shell Lubricants)

Surat, Gujarat.

Subject: **Shell Gadus S5 V 100 2** superior performance in Stentor Chamber motor application.

We have been recommended by Shell to use "**Shell Gadus S5 V 100 2**" in our Stentor chamber motor application in our Textile process house. We have monitored the performance of this product against previous grease.

We have observed following advantages of **Shell Gadus S5 V 100 2** over the other products.

**Benefit:**

- **Reduce lubricant consumption.**
- **Increase bearing and seal life.**
- **Reduce maintenance cost.**
- **Increases Motor life of 2 Times.**
- **Increase bearing & motor failure from 15 days to 90 days.**

Now we are converting all pumps with Shell S5 V 100 2 grease, we are looking for long term relationship with Shell and Biren Enterprise Team and we appreciate the service provided by you.

Thanking you,
