TO WHOM SO EVER IT MAY CONCERN

Kind Attn: Mr.Mehul Patel, Biren Enterprise, Surat

Subject: Satisfactory & Optimum performance of SHELL Lubricant Products for our Passenger Fleets.

Dear Mr. Mehul Patel,

We are pleased to inform you that based on your provided recommendation of SHELL's Engine oil, Transmission Gear oil, Rear-Axle oil & Wheel-Hub Grease for our passenger fleet since April '2013. We have got satisfactory performance from your product. Following are the benefits we have got from Shell Products.

APPLICATION	SHELL PRODUCTS	BENEFITS/LIFE
ENGINE (FLEET)	SHELL RIMULA R4 15 w 40 (CI 4 PLUS)	OIL LIFE EXTENDED TO 40,000 KMS
TRANSMISSION GEAR	SHELL SPIRAX S2 G 80 w 90	80,000 KMS
REAR-AXEL	SHELL SPIRAX S2 A 85 w 140	80,000 KMS

We appreciate Biren enterprise for sharing knowledge for Engine oil to switch over to CI4 PLUS from CH4 which helps us to getting extended oil life of 40,000 kms from 30,000 kms.

Looking at performance of Shell products, which has reduced maintenance & labour cost.

Based on the current benefit result we are planning to switch over Shell Gadus S3 V 220 C2 for Wheel-hub application.

We appreciate effort of Biren Enterprise to help us to improve our maintenance practices, save cost & after sales services.

Regards,
SHREENATH TRAVELS.
