Dear Customer,

Thankyou for choosing Gujtex Heater (Thermic Fluid Heater). We are pleased to welcome you to the growing number of satisfied customers who use Gujtex Heaters for furthering their business. The advanced engineering and high-quality construction of each thermic fluid heater we build is something of which we're very proud.

The Operations & Maintenance Manual will introduce you to the features and operation of your new Gujtex Heater. It is suggested that you read it carefully because the information it contains can contribute greatly to the satisfaction you receive from your new purchase.

For efficient functioning of your Gujtex Heater, it is important that you choose the best Thermic Fluid, We, at Gujtex Engineering Company Limited we would recommend the following oil be used:

➤ **SHELL HEAT TRANSFER OIL S2**
