

# Shell Coolant Longlife HD Concentrate

Organic Additive Technology, Premium Antifreeze/Coolant

## DESIGNED TO MEET CHALLENGES

### Main Applications

### Typical Physical Characteristics

Properties		Method	Shell Coolant Longlife HD Concentrate
Water Content	%wt	ASTM D1123	4.1
pH	30% in distilled water	ASTM D1287	8.25
Density	@20°C kg/m <sup>3</sup>	ASTM D4052	1 124
Freeze Point	50% in water °C	ASTM D1177	-36

These characteristics are typical of current production. Whilst future production will conform to Shell's specification, variations in these characteristics may occur.

### Health, Safety & Environment

#### • Health and Safety

This product is unlikely to present any significant health or safety hazard when properly used in the recommended application and good standards of personal hygiene are maintained.

Avoid contact with skin. Use impervious gloves with used oil. After skin contact, wash immediately with soap and water.

Guidance on Health and Safety is available on the appropriate Safety Data Sheet, which can be obtained from <https://www.epc.shell.com>

#### • Protect the Environment

Take used coolant to an authorised collection point. Do not discharge into drains, soil or water.
